

Vehicle Insurance

Please find our Vehicle Insurance Questionnaire on the next two pages.

You can also find it by going to the Vehicle Insurance page of our website or contact our office to have an electronic version emailed to you.

Please answer all the questions. This is necessary to get you the very best rates and all of the discounts that are available to you. We will not be able to provide you with a quote without THIS SHEET being completely filled out and returned to us.

We cannot accept pictures or copies of insurance documents in place of this quote sheet so please DO NOT send them...please just fill in the blanks on the quote sheet.

All of the information we need is on the quote sheet. If we should need additional information, we will request it from you.

Please note that we are limited in the types of policies we can write. You must have either a pickup with a 5th wheel or travel trailer, or a motorhome with a tow vehicle. You must also be a full-time RVer (live and travel in your RV at least 6 months out of the year). Other restrictions may apply.

Thanks for the Inquiry,

Mike Williams
